

Seasons of Change

I am learning that every season of change, of But it is so important to trust in God. Faith is believing God's word over the facts of our circumstances no longer focusing on how many years have gone by, what hasn't worked and what feels impossible.

Dying doing what God called you to do is not a tragedy but the most blessed thing.

No matter what you are facing in life, God remains in control. The problem is that when the facts or seasons change we trust them instead of God. But the truth will always win. We need to stay focused on the Word of God.

Circumstances should not dictate to you. You need to be led by the Spirit of God, the Word of God.

Romans 10:17 NKJV

So then faith comes by hearing, and hearing by the word of God.

We need people to encourage and speak life to us. But even better than that, the Holy Spirit Who is in us speaks life to us.

We do missions because we are obedient to God who tells us what to go.

1 Samuel 16, 17

Saul tried to tell David facts. But he trusted in God.

Saul tried to get David to wear his armor. Don't try to wear what God hasn't given you.

David did not walk toward Goliath. He ran to his purpose.

Your circumstance is not bigger than your God.

You need to go to the Word.

You need to follow the Spirit (Romans 8:14).

To see the the impossible you need to go where He is leading and do what He is telling you now.

We can't stay in the place of indecision, paralyzed by circumstances. We have to get up and stand in the victory of faith.

After David defeated Goliath, he didn't go to the palace, he went back home.

Psalms 18:30 NKJV

As for God, His way is perfect; The word of the Lord is proven; He is a shield to all who trust in Him.

Proverbs 30:5 NKJV

Every word of God is pure; He is a shield to those who put their trust in Him.

What about in your blessing, will you trust God then? In every circumstance, good or bad, trust God. His word is tried and proven and true.
